

Idaho Commission on the Arts

Fiscal Year 2020 Grant Making by State Legislative District House of Representatives

The **Idaho Commission on the Arts** strengthens Idaho communities through the arts and creativity. As a state government agency, the Idaho Commission on the Arts helps people and places to thrive by using the arts to foster economic vitality, cohesive communities, good health and educational achievement. Through investments and services, the agency makes these benefits available to all Idaho communities, including the state's rural and remote regions.

Total Grant Dollars: \$1,159,844

Total Grants Awarded: 408

Total Grant Activity Locations: 548

Grant data is drawn from Idaho's most recent Final Descriptive Report, as submitted to the National Endowment for the Arts. Boundaries represent 2023 state legislative districts. For more information, visit nasaa-arts.org.
